Donation Guidelines

Classic Drycleaners and Laundromats is proud of our commitment to the local community. We have been serving the Greater Harrisburg area for over 40 years. Our primary areas of non-profit support include health, education, social services, public safety, and animal welfare.

Donations are given in the form of store gift certificates – no cash donation will be made. The average donation is in the amount of \$20 so we can support many non-profit organizations.

Bottled water donations may also be given depending on the nature of the event. Donation amounts for bottled water are based on attendee numbers and a usage formula based on previous donations. Donations of bottled water will not exceed 10 cases.

If your organization is interested in our support, please contact us via mail or email:

Jaime Zurat, Marketing Manager
